

Door Styles

Steps

The white door above features an opening window, with shatter-proof glass and an insect screen.

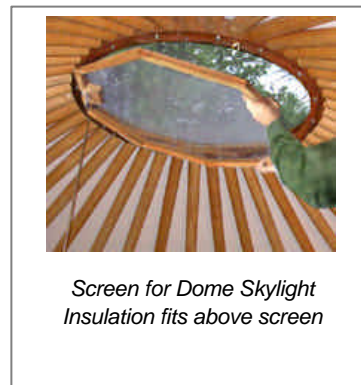

White Steel Doors are “Evergreen”. They are also available in different colours.

The golden oak are textured wood-grain fibreglass “Oakcraft”.

French Doors also feature shatter-proof glass.

Please inquire for prices and more details.

Prices are subject to change.

We are proud of our quality products – they are built to last! As an example, we use “Wind and Snow Load” straps to attach **EVERY** rafter to the center ring... and that’s a total of 50 rafters in a 28ft. yurt!
